## What is House Exchange?

Wherever you want to move, House Exchange helps you to find a suitable home within your local authority or further afield. Through our simple and easy to understand website, you will be able to see the latest listings as soon as they're available. Our multi-match service lets you and other home-seekers build a chain of exchanges – the more people looking for a move increases your chance of finding a swap.

To match and move, simply visit [www.houseexchange.org.uk](http://www.houseexchange.org.uk)

### Why wait? Get started today

1. Visit [www.houseexchange.org.uk](http://www.houseexchange.org.uk) and complete our simple online registration form.
2. Once you have registered, your details will be activated and we will send you your login details by email or post.
3. Your property will appear in our database and you can search for potential exchanges on the website.
4. When you have found someone to swap your home with, contact your landlord and they will then go through the procedures needed to complete your exchange.

### Helpful tips

Many things happen online these days because it's often faster and easier to connect. But if you don't have internet access, don't worry. Simply visit your local library or ask a family member or friend if you can use their computer.

Don't forget to add photographs and a description about your home. The better your advert looks, the more attractive it is to other would-be-swappers.
