An exciting opportunity has arisen for a Joiner within our Property Services team. This key role will provide an important maintenance service to our tenants and clients.

Langstane Housing Association is a key provider of social housing in the North-East of Scotland with over 2820 properties across Aberdeen City, Aberdeenshire and Moray and we continue to develop and provide new homes within our areas of operation. Our values include the delivery of excellent services to customers, promoting continual improvement and innovation, demonstrating social responsibility and working in partnership with others. We are passionate about ensuring our tenants live in good quality, safe, affordable homes and they receive a high standard of customer care.

Your responsibilities will include:

As a valued member of our DLO team this joinery position will carry out general joinery maintenance work within our properties in the North East of Scotland (mainly Aberdeen City and Aberdeenshire). This will include all health and safety compliance prior to undertaking and during progression of work. You will be allocated your daily work via our works scheduler. You will be responsible for your own time management and completing jobs within the allocated timescales to the quality expected by our tenants and the Association.

This is an excellent opportunity for a motivated and well organised qualified joiner with experience of working in a fast paced customer focused environment, all relevant experience will be considered.

This role is a varied one, with involvement in all aspects of general day to day maintenance and offers an opportunity for the postholder to take ownership of their workload and make a real difference to the service we provide and offer our tenants.

A current full driving licence is required.
