

REPAIRS & MAINTENANCE

Number of Repairs

Demand has remained high for emergency repairs this period with response times decreased since the previous quarter.

Urgent repairs have risen to slightly above 5 days and there has been a decrease in response times from the previous quarter for routine repairs.

YOUR NEIGHBOURHOOD

When you report antisocial behaviour we take it very seriously. We work with tenants and with partners, such as Aberdeen City Council's Antisocial Behaviour Investigation Team, to find a solution to the problem. We only take legal action as a last resort.

The reports you make of antisocial behaviour have to be resolved within agreed timescales. Of the cases you reported within the last quarter we resolved 95% within the period. These cases cover all types of antisocial behaviour, from minor complaints to major incidents.

Customer Satisfaction

Some quotes from our customer feedback:

- I am very pleased with your actions. Respectable people should be able to live in your properties without dreading their neighbours. Thank you for your actions.
- No. There was no reply to my email. The feedback form is the first feedback we have had from Langstane.
- The complaint was handled in a professional manner in a reasonable amount of time.
- I would have liked to have spoken to someone or at least get a phone call. Anything would have been a start.
- The two people I spoke to listened to what I said, both were very polite throughout this complaint. I was kept informed throughout and given good advice if anything like this happens again.

SERVICE COMPLAINTS

We want to know when you are unhappy with the service you receive from us. We investigate all complaints according to the Complaints Handling Procedure produced by the Scottish Public Services Ombudsman. This means we have a strict timescale in which we have to resolve your complaint.

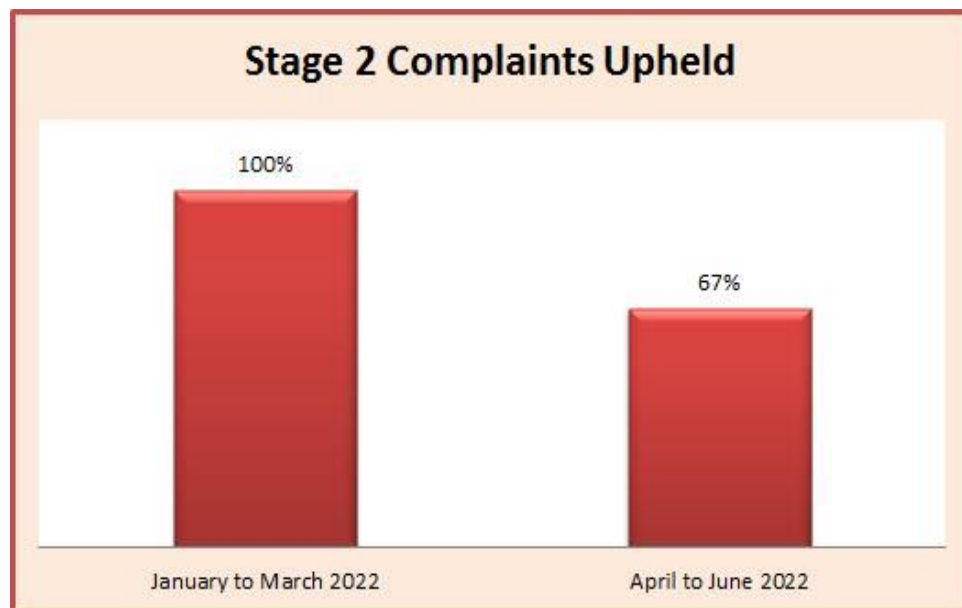

Stage 1 Complaints

In the last quarter you raised 70 Stage 1 complaints (those handled at the frontline within 5 working days). This is higher than the number of Stage 1 complaints raised in the previous quarter. We upheld 37% of the complaints.

Stage 2 Complaints

In the same period you raised 12 Stage 2 complaints (those complaints assessed by a member of our Management Team and resolved within 20 working days). We upheld 67% of those complaints.

Customer Satisfaction

Some quotes from our customer feedback:

- As remarked in a previous complaint, all new tenants should, at interview, be warned of the penalties for antisocial behaviour, or not complying with conditions of the tenancy agreement.
- Resolving such complaints should be dependant upon the degree of antisocial behaviour, e.g. criminal damage or violence towards other tenants/visitors and should be actioned the next working day.
- The complaint was handled in a professional manner in a reasonable amount of time.
