Langstane Housing Association Launches Collaborative Welcome Pack Project to Support Vulnerable Individuals

Langstane Housing Association is proud to announce the launch of its Welcome Pack Project, a collaborative initiative with CFINE, Instant Neighbour, Stella's Voice, and Moray Waste Busters to support vulnerable individuals in Aberdeen, Aberdeenshire, and Moray.

Through this innovative project, Langstane Housing Association aims to provide essential items to help individuals turn their new properties into homes. The project is supported by the Association's Langstane Housing Support Service, which offers a range of services to help tenants settle in.

The Welcome Pack Project offers qualifying customers a bag of cupboard essentials from CFINE, as well as a voucher to shop at Instant Neighbour, Stella's Voice, or Moray Waste Busters stores. This empowering initiative enables individuals to choose items that are important for their new homes.

"We are thrilled to be working with our partners to provide this new service to our tenants," said Judith Sutherland, Director of Housing at Langstane Housing Association. "Our goal is to help individuals thrive in their new homes and communities, and we believe that this initiative will make a significant difference in their lives."

The Welcome Pack Project is a testament to Langstane Housing Association's commitment to providing high-quality services and support to its tenants. By working together with its partners, the Association aims to make a positive impact on the lives of vulnerable individuals in Aberdeen, Aberdeenshire, and Moray.
